

D.A.V.E. - light plot/stage plan

Klaus Obermaier - Chris Haring

12 x  Profiles with shutter (or 1 KW PC with barndoors)

1 x  2 KW PC with barndoors (for filling the whole stage with white light, can be done with other lamps too)

2 x  Profiles approx. 36° with shutter

5 x  Source4 or Profiles, approx. 36° with shutter

- All sidelights on floorstands.
- whole stage with black dancefloor, black velvet backcurtain and black sidewalls (optional black sidewings).
- Sound-system with **enough power** for techno-sounds, 4 audio-inputs, stage monitors.
- Video-cable (BNC) from audio/light-mixer to videoprojector (stage front) with cinch-adaptors.
- CD-Player.
